Ever heard of a story with a moral and that moral being a PJ?  
Ever thought that smoking can make you a millionaire?  
Ever considered that replying chain mails can be funnier than forwarding them?  
Will you ever dare to take your girlfriend on a date and give her a lecture on numbers instead of wooing her?  
Well, there is one guy in the Universe who thinks and does all this and much more.  
Welcome to the world of young Kuttappan, who ruined by the over-engineered intelligence of our education system, now sees every situation in life from a completely different perspective.  
And today Kuttappan is all set to tell you What Nobody Ever Told You about the very same situations we face in our everyday lives.
