World Famous Mythology is an authoritative book on myths and mythologies. From the mythological stories of Greek and Roman gods and goddesses to Hindu mythology it covers all. Written in a lucid and very readable style the book proves a very good companion in leisure hours. What is more, it also adds to our wealth of information and provides a lot of creative materials useful for critics, essayists, artists and fiction writers. A very handy reference guide on mythology.

It is because of the great infotainment value of these book under our World-Famous Series, that they have become so popular in such a short time. The main aim and objective of publishing these books is expand the mental horizon of our readers. They provide foods for thought process and a wealth of invaluable information as a bonus. Nobody really can say the precise difference between mythology and history. This book also does not try to go into such discussions, but rather present mythological stories in interesting manner.
