How often have little kids asked you to tell them a story? And once you begin to relate one to them, they hang onto to every word of it.

But not everytime it is possible tell a story just off-the-cuff! This book now makes your task much easier.

Here is a collection of legendary folk tales for children-with each tale involving humanized animal-world characters, who enact a metaphorical incident, and whereby a moral is generated at the end.

The book serves as a practical wisdom help for all while encountering parallel piquant situations.

You can gift these nuggets of ancient tales of wisdom to your dear child and notice a remarkable change in his behaviour.

This anthology of short stories is a handy moral science guide, which has been unmatched till today and would remain ever so fresh for imbibing moral values.

Some Stories:

*Look before you leap

*Never fiddle with the unknown

*A stitch in time saves nine

*Tit for tat

*Seek advice from the wise
